Social Worker

Position Title: Social Worker
Contract Term: 12-month position
Accountable To: Dean of Student Services
Salary: \$41,842 - \$45,428

Summary of Position: The Social Worker will assist the student(s) to identify, mitigate and/or remove factors (personal and/or non-personal) that are impeding college success. This includes assisting students to address life situations that affect their mental health and academic performance. The Social Worker, in confidence, will assist students to handle immediate crisis situations and/or make referrals to appropriate community providers. The Social Worker should also have experience providing workshops that address national and local mental health issues.

JOB CHARACTERISTICS:

Nature of Work: The primary responsibility of this position is to be available to informally meet with students who have issues affecting their personal/academic performance; if necessary refer them to appropriate agencies.

Personal Contacts: This position requires intensive contact with current students on a daily basis. It also requires frequent contact with faculty, staff and community referral agencies.

Supervision Received: The Social Worker is supervised by the Dean of Student Services, through meetings, email and department meetings.

RESPONSIBILITIES:

- Inform students about the services provided through the department.
- Participate in student orientation sessions, classroom presentations, assessment interpretations, and outreach activities.
- Provide social counseling to the college student population.
- Responsible for maintaining an in-service plan, and then conducting assessments of the inservice plan through pre and post test methods to assure effectiveness.
- Establish and maintain relationships with local agencies for referral purposes.
- Provide social counseling services to students referred from faculty, staff and student services, and arranging for appropriate services to meet student needs.
- Identify and work with at-risk students.
- Participate in local training opportunities that will benefit students (i.e. Wellness Conference).
- Increase knowledge and awareness of mental health issues through newsletters, trivia, workshops, etc.
- Refer students for disability support.
- Understand the importance of confidentiality.
- Develop and maintain records. Compile data, prepare reports and effectively use the computer.
- Maintain written policies and procedures affecting the counseling area.
- Other duties as assigned.
